Welcome to Edcamp Joplin

Edcamp Joplin is August 2nd , 2019 at Joplin High School, Joplin, MO.

This FREE day of professional learning is created by educators for educators. Teach, learn, and dialogue about issues, experiences and innovations in education, in sessions that are conversations, not presentations. The agenda is created by participants on the day of Edcamp. Answer a question build your learning or brainsotorm solutions. You choose what sessions to attend based on your interests. If you find a session doesn't serve your needs, apply the rule of two feet and choose a dofferent one. You are in charge of your day!

What to bring to Edcamp Joplin

- A laptop, smart phone, or other device. You may want to email, tweet, take notes, etc during a session. Having a portable device makes it easier to connect to those you meet.
- An idea about something you want to learn more.
- A notion about something you wish to share. There are great things happening in your classroom. Others can benefit from hearing about them.
- Open Mind
- Your passion to make things better for students and teachers.
- A friend, coworker, paraprofessional, administrator. The more the merrier.
- A plan to share what you've learned when you get back to your classroom.
- Are you considering facilitating a session? Get more information here

What do you receive for attending Edcamp Joplin?

- ½ day of professional learning facilitated by YOU
- Collaboration with teachers from the 4-state area
- Opportunity to win awesome prizes
